MedStar Geriatrics and Senior Services

Montgomery County House Call Program.

Diane Ng, DNP, CRNP

Many older adults struggle to get to the doctor's office. Our program can help.

Our medical providers and social workers make house calls to seniors age 65 and older at no additional cost.

To be eligible:

- Must be 65 years of age or older
- Live in Montgomery County
- Leaving your home for routine medical visits is challenging
- Have an insurance plan we accept. We accept most Medicare and/or Medicaid plans

Our team offers home-based primary care and coordinates medical and social services for people with advanced illness. We work closely with patients' previous primary care doctors to smoothly transfer care to our expert team.

Our office is open Monday through Friday 8:30 a.m. to 4:30 p.m.
